END USER LICENSE AGREEMENT AND DISCLAIMER**

This is a legally binding agreement (“License Agreement”) between you (the “Licensee”) and the American Association of Blood Banks (“Licensor”) (collectively, the “Parties”) that will govern Licensee’s use of the *AABB Basics in Patient Blood Management: Patient Blood Management for Ordering Clinicians program* (“Licensed Product”).

The data, programs, and other information contained in the Licensed Product contain material proprietary to AABB. Except for the limited, nonexclusive, revocable license granted herein, all rights, title, and interest in the Licensed Product, in all languages, formats, and media throughout the world are and shall continue to be the exclusive property of the Licensor.

**Grant of License:** Licensor grants Licensee, a nontransferable, revocable and nonexclusive right to use the Licensed Product on a single computer, private network and/or learning management system with access to the content solely for personal, informational, educational and non-commercial purposes and to authorize others in said network to view the Licensed Product. The Licensed Product may not be transferred, copied or duplicated either in whole or in part. Access to the Licensed Product is granted for one year from the date of download or as identified by the Licensor (Licensor stated Licensed Product Expiration Date).

**Accepting the Terms of this License Agreement:** By using the Licensed Product, Licensee accepts all of the terms of this License Agreement. Licensee is not authorized to use the Licensed Product if Licensee does not accept the terms of this License Agreement. Licensee should print or save a local copy of this License Agreement for Licensee’s records.

**Terms of Use and Restrictions:** Licensee agrees to use the Licensed Product only for purposes that are permitted by: (a) this License Agreement and (b) any applicable law or regulation in the relevant jurisdictions (including any laws regarding the download and/or export of data or software to and from the United States or other relevant countries). Licensee may not and may not permit others to: (1) disassemble, decompile, or otherwise derive content from the Licensed Product; (2) reverse engineer the Licensed Product; (3) copy or download the Licensed Product other than as specifically permitted in this Agreement; (4) rent, lease or sell the Licensed Product; (5) use the Licensed Product on a public internet system; (6) use the Licensed Product in any manner that infringes the intellectual property or other rights of Licensor or any other party; or (7) transfer the Licensed Product or any copy or part of thereof to another party except as permitted by this Agreement.

**Proprietary Rights:** Licensee acknowledges and agrees that Licensor owns all legal right, title and interest in and to the Licensed Product, including any intellectual property rights that subsist in the Licensed Product (whether those rights happen to be registered or not, and wherever in the world those rights may exist). Nothing in this License Agreement gives Licensee a right to use any of Licensor’s trade names, trademarks, service marks, logos, domain names, or other distinctive brand features.

**Disclaimer:** Licensor makes no representations or warranties, expressly or implied. By way of example, but not of limitation, Licensor makes no representations or warranties of merchantability or fitness for any particular purpose, or that the use of Licensed Product will not infringe on any patent, copyright, or trademark. Licensor shall not be held liable with respect to any claim by Licensee, or any third party on account of, or arising from, the use of Licensed Product.

**Limited Warranty and Limitation of Liability:** For a period of thirty days (30) from the date Licensee acquires the Licensed Product, the Licensor warrants that the media on which the Licensed Product resides will be free of defects that prevent Licensee from accessing the Licensed Product on Licensee's computer. The Licensor's sole obligation under this warranty is to replace any defective media, provided that Licensee has given the Licensor written notice of the defect within such thirty (30) day period. The Licensed Product is licensed on an "as is" basis without any additional warranty of any nature. The Licensor shall not be liable for any damage or loss of any kind arising out of or resulting from Licensee's possession or use of the Licensed Product (including data loss or corruption). If the foregoing limitation is held to be unenforceable, the Licensor's maximum liability to Licensee shall not exceed \$10.00.

LICENSEE'S USE OF THE LICENSED PRODUCT IS AT LICENSEE'S OWN DISCRETION AND RISK AND LICENSEE WILL BE SOLELY RESPONSIBLE FOR ANY DAMAGE TO LICENSEE'S COMPUTER SYSTEM OR OTHER DEVICE OR OTHER NETWORK OR LOSS OF DATA THAT RESULTS FROM THE USE OF LICENSED PRODUCT.

NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY LICENSEE FROM THE LICENSED PRODUCT SHALL CREATE ANY WARRANTY NOT EXPRESSLY STATED IN THIS LICENSE AGREEMENT.

**Termination for Breach:** If Licensee fails to fulfill one or more of its obligations under this Agreement, Licensor may, upon its election and in addition to any other remedies that it may have, at any time terminate all the rights granted under this License Agreement. In addition to the foregoing, in the event that Licensee shares the Licensed Product with one or more third parties not explicitly defined under "Grant of License" above ("Unauthorized Copy"), all rights granted under this Agreement shall terminate immediately. Any continued use of the Licensed Product by Licensee shall constitute an intentional infringement of the copyrights in and to the Licensed Product.

**Applicable Law:** The construction and performance of this License Agreement shall be governed exclusively by the laws of the State of Maryland and the Parties agree to submit to the exclusive jurisdiction of Maryland courts.

**Entire Agreement:** This License Agreement constitutes the entire legal agreement between the Parties and completely replaces any prior agreements between the Parties in relation to the Licensed Product. If any court of law, having the jurisdiction to decide on this matter, rules that any provision of this License Agreement is invalid, then that provision will be removed from the License Agreement without affecting the rest of the License Agreement. The remaining provisions will continue to be valid and enforceable.
